

## **Rajyogini Brahma Kumari Dr. Dadi Ratan Mohini, Spiritual Head of Brahma Kumaris**

Rajyogini Brahma Kumari Dr. Dadi Ratan Mohini has been brought up in an atmosphere where spiritual leanings had been the watch-word of day-to-day life. The material concerns of life disturbed her while she found solace and comfort in spiritual activities and discourses even at an early age. This noble bent of mind attracted her to the *Om Mandali*, which was the initial name of the Prajapita Brahma Kumari Ishwariya Vishwa Vidyalaya, simply called the Brahma Kumaris.

Dadi Ratan Mohini came in contact with the Brahmakumaris when she was barely twelve years old. She represented the organisation at the World Peace Conference in Japan way back in 1954. Subsequently she travelled in Asia for nearly a year, rendering spiritual services to people in Hong Kong, Singapore & Malaysia.

In 1985, she organised a national rally with the theme of *Bharat Unity Padyatra*, which was inaugurated by the then President of India, H. E. Giani Zail Singh. In 2006, she organised the world's largest rally under the banner of *Swarnim Bharat Yuva Padyatra*. In 2017, under her leadership '*Mera Bharat Swarnim Bharat* Campaign was organised in order to ignite the youth for glorious India and inspiring them to inculcate spiritual values and character building through Rajyoga Meditation.

Dadi Ratan Mohini was awarded the honorary Degree of Doctor of Philosophy by the Gulbarga University, Gulbarga (Karnataka) in recognition of her spiritual, moral and social empowerment of youth and women in particular and society in general.

Dadi Ji has presided over numerous national and international seminars and conferences. Known for her dedication to fostering spiritual and moral excellence in young people, Dadi Ji, even in her nineties, is herself lively and young at heart. True to her name, Dadi Ratan Mohini is a real gem of the Brahma Kumaris Organisation, which continues to chisel and polish the other precious stones with her multifarious services to humanity.
